

JUNIOR PROGRAM (SHOWCASE) AGREEMENT

Prep (Rec) Classes & Showcase

SEASON DETAILS

****No experience necessary!***

The season is spread over eight months to account for scheduled school breaks.

Class is held **one night a week for 1.5 to 2 hours**, pending the program.

The first half will be a technique class - Dancers will learn basic, relevant dance techniques and pom/strong motions required to make a high school team.

The second half will be practice - The juniors will learn sidelines and a 60-90 second choreographed dance throughout the season. Parents/families will be invited to attend a specified practice towards the end of the season, where dancers will perform their sidelines and dance.

Dancers will also have the option to participate in SPARK's end-of-season showcase on May 4, 2024.

Mentorship - The juniors will have the opportunity to shadow at least two high school dance team practices, have a Q&A session with high school dance team members, and take a picture with the high school team.

Team Bonding - Over the course of the season, the coach or SPARK staff will coordinate *two* opportunities for the team to attend local competitions to watch the high school team compete. Dancers will wear their team gear and show support for the high school team! If necessary, there will be a sign-up sent out for parent/guardian volunteers. Any additional team bonding events may be coordinated by parents/guardians.

Tryout Preparation - In March/April, the junior program will focus on familiarizing and preparing the junior dancers with the high school tryout process, including a mock tryout.

Weekly Email Reminders - Weekly class reminders will be sent out on Sundays to the email that we have on file. This is the email that you entered during registration. Email will be the primary form of communication throughout the season.

By registering, you are signing up for the entire season. A calendar of dates will be emailed out and will be available through the SPARK website as well.

No parents are allowed in the room during class. You do not have to leave the facility, but we ask that you stay out of sight during class to avoid distractions and keep our dancers engaged in class. If your dancer requires special assistance, please let us know so we can work together to provide any additional support.

SHOES & ATTIRE

Dancers MUST wear appropriate shoes and attire for ALL classes. Dancers that do not have appropriate footwear will be asked to sit.

Shoes - Junior dancers are required to have jazz shoes for all classes. A link for appropriate/recommended jazz shoes will be sent out at the start of the season.

Attire - Dancers should wear athletic clothes that are appropriate and easy to move in. For juniors, tight fitting clothes are preferable (no baggy t-shirts, sweats, hoodies, etc.) so that instructors are able to ensure proper placement and technique in order to prevent dancers from getting hurt.

CLASS VIDEOS

Videos of sidelines and dances learned in class will be posted and viewable through your GoMotion account/GoMotion App. Class videos will not be emailed out. Dancers may use the videos posted in GoMotion to practice. **We highly recommend downloading and utilizing the GoMotion app for account and team needs.**

CONTRACT

By registering, you are signing up for the entire season from September 2023 - May 4, 2024.

A 30-day written notice is required if you need to drop the program during the season. Any future auto-pays would be canceled. NO REFUNDS WILL BE GIVEN.

We do not mail invoices or statements. We do not prorate fees. A dancer is enrolled until SPARKDTTP receives a minimum 30 days written cancellation notice. At that point, all future scheduled charges will be canceled.

You are financially responsible for all contracted months or until SPARKDTTP is notified in writing at least 30 days before the dancer drops a class(es).

Monthly payments are the same whether there are 3, 4, or 5 weeks in a month. Your total number of classes for the season has been divided over the months (seven) that the classes will occur.

Payments are non-refundable and non-transferable except for a long-term injury accompanied by a doctor's note or moving out of state.

Credit is not given for missed classes. If a student is ill or cannot make it, they can arrange a make-up class by contacting the admin and attending another class.

We will follow the district policies regarding weather closures. Classes will not be credited or made up due to district weather closures.

Our policies and guidelines are in place to ensure fairness and consistency for all our clients. We require written notification for any changes or requests, as we cannot make assumptions about individual family situations. It is ultimately the client's responsibility to inform us of any desired modifications.

For a student to continue classes, accounts must be current with no outstanding balance.

If, at any time, the client/or the party responsible for making payments under this contract defaults by failing to make a payment on time, SPARKDTTP may hire counsel, employ a collection agency, file a suit in law or equity, and may immediately cease further performance under this contract, all at SPARK DTTP sole election. SPARK DTTP shall be entitled to an award of all attorney's fees and costs incurred in attempting to collect such debt.
